

Jesus to the World
By NewSong

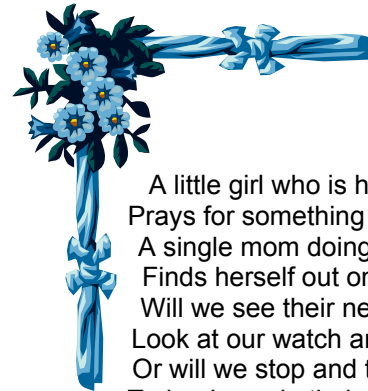

A little girl who is hungry
Prays for something she can eat
A single mom doing all she can
Finds herself out on the street
Will we see their need and hear their cries
Look at our watch and just walk on by
Or will we stop and take the time
To be Jesus in their lives

We need to be lambs that roar
We need to be eagles that soar
We need to salt
We need to be light
We need to be Jesus to the world
We need to take love into the streets
Be willing to turn the other cheek
We need to be strong
We need to be weak
We need to be Jesus
Jesus to the world

Jesus came with a message
That would change the way we live
He showed us all by example
What the heart of heaven is
He saw our need and He heard our cry
He loved us so much that He gave His life
He taught us by his sacrifice
How we should live our lives

Chorus

We can talk and talk about what is wrong
But that won't change one thing at all
We must take God's love where the hurting live
'Cause that's what Jesus did

Matthew 5: 13 – 17

¹³“You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled by men. ¹⁴“You are the light of the world. A city on a hill cannot be hidden. ¹⁵Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. ¹⁶In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven.

1. Name one person in your life you know that needs to know the love of Jesus?

2. Think of one way you can show Jesus through the life you live?

3. How will you communicate God’s love in Mexico if you can’t speak the language?

4. When was the last time you were a roaring lamb?

5. How will you be salt and light to others on this trip?
